

Dear parents and carers

We thought you would all like to know just how well our new Breakfast Club is going

Breakfast club started at the end of May, the children come in at 8 am until 8.35, when they collect their bags and go into class for the beginning of the school day.

We offer cereal and toast every day; some days there is also fruit, crumpets, fruit bread, and toasting pancakes for the children to choose to eat. When they have finished eating, they are able to choose to do some maths workbooks or colouring. It is a sociable time, where the children chat to each other about what they have done or are going to do. Everyone helps each other, and it has been noticed that the younger children are becoming more confident in doing things on their own, and thus becoming more independent.

Currently, there are still some spaces available for September, so please contact the office if you would like your child(ren) to attend.

Many thanks and enjoy your weekend.
