

Otters Class

Friday afternoons are always very hands on in Otters class. They had their first full session in Forest School where they learnt

Resilience
Friendships
Team work
Trial and error
Perseverance
To name just a few skills

We then had a visit from Sally and Beth from Young Minds Matter who gave an assembly on our mental health and emotional wellbeing. They used the example of worry and how this can impact our:

emotions
Feelings
Physical sensations
Behaviour

We discussed what we could do if we were ever feeling worried and the strategies and people who could help us.

Miss Barton

Hedgehogs Class

A busy week in Hedgehogs class!

Reception have continued to explore the environment and have enjoyed the new home corner set up in class this week.

Year 1 and 2 have been exploring materials in science and primary colours in art.

Reception have started phonics lessons this week and are doing very well. Year 1 and 2 are getting back into the flow of phonics too. All children should now have a reading record and book that they can share at home.

We have been thinking about the seasons and Autumn and how the weather is changing. We visited the log circle had our first Forest School session and we look forward to having these sessions each week. Our first session gave us chance to explore and learn the forest school rules. We enjoyed a biscuit snack before walking back to school.

Please can you send in a pair of outdoor shoes for your child that can be kept in school (wellies or walking boots are best).

Have a great weekend

Mrs. Toomer

Moles Class

We had our first Viola lesson in Moles this week. Mr. Davis came in and delivered a brilliant session teaching the class how to play the viola. He will be coming in once a week this half term to teach the class viola lessons, and I cannot wait to see how much the children learn and improve.

We continued our autumn art unit and looked and trying to create our very own autumn leaves using origami, which we will be using to create an autumn leaf curtain for the classroom.

We also leaned a bit more about the Romans and their early civilisation and how the city of Rome was founded and began is empire.

Back to school advice issued amid high levels of flu, COVID-19 and scarlet fever

Following simple steps can help protect children, minimise the spread of illness in education and childcare settings and protect wider communities.

Flu and coronavirus (COVID-19) are [currently circulating at high levels](#) and are likely to continue to increase in coming weeks. High numbers of scarlet fever, which is caused by group A streptococcus, also [continue to be reported](#).

Professor Susan Hopkins, Chief Medical Adviser at the UK Health Security Agency (UKHSA), said:

It's important to minimise the spread of infection in schools and other education and childcare settings as much as possible. If your child is unwell and has a fever, they should stay home from school or nursery until they feel better and the fever has resolved.

Helping children to learn about the importance of good hand hygiene is also key, so practice regular handwashing at home with soap and warm water. Catching coughs and sneezes in tissues then binning them is another simple way to help stop illness from spreading.

Adults should also try to stay home when unwell and if you do have to go out, wear a face covering. When unwell don't visit healthcare settings or visit vulnerable people unless urgent.

Remember that flu vaccination is still available for all eligible groups and is the best protection against the virus. We have seen good uptake in older age groups but vaccination among young children remains low. Flu can be very unpleasant and in some cases can lead to more serious illness. Getting your child vaccinated protects them and others they come into contact with, and it's still not too late.

Eligible children include:

- those aged 2 and 3 on 31 August 2022
- all primary school-aged children
- some secondary school-aged children

You can get more information [getting your child vaccinated against flu](#) on NHS.UK.

COUNTY COUNCIL

THE DANGER ZONE!

Parking on zig-zag lines is dangerous and can incur a fine if you are caught!

Zig-zag lines are there for a reason; to allow good visibility for drivers to see pedestrians in high risk zones (ie on pedestrian crossings and outside of schools).

Please do not put the lives of our children at risk by parking on the zig-zag lines outside of the school, even for the shortest time.

Thank you for your cooperation.

Appointments during school hours

Please avoid arranging medical/dental appointments during the school day.

We do know this cannot always be helped, however, appointments at the end of the school day (from 2 pm onwards) are far less disruptive to your child's education than morning appointments please.

Pupils should be collected from school with just enough time to allow to get to the appointment on time and, if the school day has not ended, they should be returned to school immediately afterwards please.

You should also provide the school with a copy of your child's appointment letter for the attendance register.

Thank you for your continued support.

Weekly Reminders:

- Please ensure that Lunches are ordered on ParentPay by 8.30 am on the day they are required
- For the Health and Safety of the children, parents must not bring their children through the staff car park when dropping off or picking up from school.

Children may only be brought through the staff car park when the pedestrian gates to the playground are locked during the school day, and then **children must be escorted through the car park to keep them safe.**

- Please remember to inform the school office by 9.30 am each day, if your child is going to be absent from school.

Thank you

What can you do to help?

Take an interest in your child's education.

- Ask them about their day and praise and encourage their achievements at school.
- If your child is missing school or is seemingly unhappy, you should discuss your concerns with your child.
- Make sure your child understands that you do not approve of them missing school, but be on the alert for any particular reasons for non-attendance, such as bullying or problems with school work.

Contact the school as soon as possible when a concern is identified so that you can work with them to resolve any difficulties.

Be willing to engage with any support offered by the school or Gloucestershire County Council Support Services.

Make sure your child arrives at school on time for both the morning and afternoon sessions.

If your child is ill or absent for any other reason, contact the school on the first day of absence.

Follow the school's procedures for notifying absence, and always let the school know of any days that your child is unable to attend.

Updated November 2020

It all adds up!

Can they afford to keep missing out?

Every Minute Counts!

Being late for school reduces learning time.

5 minutes late every day = 3 days of learning missed per year.

15 minutes late every day = 9 days of learning missed per year.

Arriving late can be very disruptive for your child, the teacher, and the other children in the class.

School Attendance

Information for Parents and Carers

Why is it important for children not to miss school?

Children only get one chance at school, and your child's chances of a successful future may be affected by not attending regularly. If children do not attend school regularly they may:

- Struggle to keep up with school work. In a busy school day it is difficult for schools to find the extra time to help a child catch up.
- Miss out on the social side of school life. Poor attendance can affect children's ability to make and keep friendships; a vital part of growing up. Employers want to recruit people who are reliable. Setting good attendance patterns from an early age will also help your child later on in life.

What might the impact of poor attendance be on your child?

Research shows children who are not regularly attending school are:

- More likely to become involved in, or be a victim of crime and anti-social behavior.
- More likely to fall behind due to the strong link between attendance and achieving good results.
- Less likely to achieve 5 good GCSEs (grades 9-5) compared with those with less than 8 days absence.
- More likely to have increased levels of anxiety due to inconsistencies and uncertainty in their routine.
- More likely to have reduced self esteem due to finding learning increasingly hard having missed out on key information.

What does the law say?

By law, all children of compulsory school age (between 5 and 16) must get a suitable, full-time education. As a parent, you are responsible for making sure this happens, either by registering your child at a school or by making other arrangements which provide a suitable full-time education.

Once your child is registered at a school you are responsible for making sure he or she attends regularly.

What happens if your child does not attend school regularly?

If your child fails to attend regularly - even if they miss school without you knowing - the Local Authority (LA) may take legal action against you.

Schools will notify you if your child's attendance level is a concern and look to work with you to put in place steps to improve it. If attendance continues to require improvement then schools will look to initiate an Attendance Improvement Meeting (AIM).

The AIM is the start of the legal process. It is important you engage with the process and work with the support provided to meet the agreed targets. These targets will be reviewed and progress evaluated at a review meeting. If satisfactory progress is made then targets will either be considered met or adjusted until attendance is satisfactory. If progress is not made then you may be referred to the LA for legal intervention.

You run the risk of being issued with a Penalty Notice or being prosecuted in court. If this happens:

- Parents can be fined up to £2,500 or imprisoned for failing to ensure that their child attends school regularly.
- Magistrates can also impose a Parenting Order, which means that the parent has to attend a counselling and guidance programme, usually a parenting class.

When is absence authorised?

There may be times when your child has to miss school because they are unwell. If your child becomes ill you should notify the school immediately and follow the school's absence procedures.

Children may have to attend a medical or dental appointment in school time. However, you should, whenever possible, try to make routine appointments such as dental check-ups during the school holidays or after school hours. Schools have the right to request medical evidence to validate absences for medical reasons.

If you think you might need to take your child out of school, discuss the reasons with the school as soon as possible. Absence must be requested as far in advance as possible. Absences will only be authorised by the school in exceptional circumstances.

Examples of absence that may be considered as exceptional circumstances include family bereavement or taking part in an agreed religious observance. The decision on whether to authorise absence is made at the headteacher's discretion.

For more information

For more information you can contact the Local Authority's Education Inclusion Service at:

Phone: 01452 427274

Email: Attendance@gloucestershire.gov.uk

Website: www.gloucestershire.gov.uk/education-and-learning

Although term time leave request forms are available from the office, this does not mean that holidays are authorized or the request will be granted. Please read the below regarding penalties:

Request for a leave of absence during term time

Parents should be aware that the law does not grant parents an automatic right to take their child out of school during term time. The Department for Education allows a Headteacher the discretion to consider authorising a leave of absence in term time only in "exceptional circumstances".

You may consider that a holiday will be educational but your child will still miss out on the teaching and learning that their peers will receive whilst your child is away. Children returning from a leave of absence during term time are also unprepared for the lessons which build on the teaching they have missed and arrangements need to be made for individual children to catch up on missed work. Disruption to the continuity of teaching and learning is something we all have a responsibility to avoid.

If requesting a leave of absence you will need to complete the form on the reverse of this notice, setting out the reasons. If the holiday is not considered to be an exceptional circumstance it will not be agreed. If you nevertheless take your child out of school for the leave of absence this **will be recorded as unauthorised leave**.

In the case of an unauthorised leave of absence the headteacher may request that the Local Authority issue a Fixed Penalty Notice without further warning to the parent.

Please note that such a penalty is issued to each parent for each child taken out of school.

A Penalty Notice is a fine of £60 if paid within the first 21 days which increases to £120 if paid between 21 and 28 days.

Thereafter, if the penalty remains unpaid this may lead to prosecution through the Magistrates' Court.
