CELEBRATION ASSEMBLY

This week, we celebrated the achievements of:

- OTTERS CLASS - Emily and Alice
- MOLES CLASS - Ellie, Poppy and Hayley
- HEDGEHOGS CLASS - Ruby, Hunter and Paige

Hedgehogs Class

We have had a very busy week in Hedgehogs Class and the children are all ready for a well earned week off!

Reception have enjoyed Winnie the Witch stories and have made potions and wands. They have continued to think about Autumn and made some lovely leaf crowns, as well as learning about hibernation and making a house for a hedgehog.

Year 1 and 2 children have been learning the rhyme 'London's Burning' and even came up with their own verses. They have written poems and combined art and writing lessons to produce some lovely fire silhouette paintings for display with their writing to accompany.

All children enjoyed some scientific investigation this week, as we found poor Ted was getting wet in the rain. Reception came up with the idea of making him a shelter and used the outdoor area to build waterproof shelters. KS1 children carried out an investigation by testing different materials to see if they would be suitable to make an umbrella for Ted.

Have a fantastic half term break with your families and enjoy all that this time of year has to offer.

Mrs Toomer

Term Dates

Term 1
4 Sept to
27 Oct

Term 2
6 Nov to
22 Dec

Term 3
8 Jan to 9 Feb

Term 4
19 Feb to
22 March

Term 5
8 April to
24 May

Term 6
3 June to
22 July

INSET days:
4 September
6 November
22 December
24 May
22 July

Other dates:
Bank Holiday
- 6 May

Hedgehogs Class

Moles Class

In Moles this week, we finished our science unit on living things and their habitats. In our last lesson, the children worked in pairs and did research on their own animal. They created a poster all about the animals habitat, what it likes to eat, if it is endangered or not and some interesting facts. We then presented our posters to the class and shared all our information.

In History, we have been studying the Roman Empire and how they conquered so many countries. We looked at their battle strategies and how their superior equipment helped them to win so many wars as well as successfully conquer Britain. We then had a go at designing and making our own Roman shields in class.

Thank you to all the children for their hard work this first term back as well as all the parents support. Hope everyone enjoys their half term week.

Mr Martin

Otters Class

For the past two weeks in English, Otters have planned and written a story linked to their class text 'Clockwork.' To come up with ideas they drew a picture of the main setting and added description using expanding noun phrases. They then used a story planner to create the main elements, opening, build up, dilemma, resolution and ending. Once their plan had been created, Otters wrote a first rough draft and made adjustments to their plans. Finally, Otters wrote their final version of the story thinking carefully about their writing style, punctuation and spelling. All children completed work to a high standard and it was lovely to hear some of the children read their stories aloud.

Hope you all have a restful half term.

Miss Barton

Things Happening at Soudley School Week Commencing 6 November 2023

**8am – 8.30am DAILY - BREAKFAST CLUB
- £2.50 per child per day**

Mon INSET day (staff only)

Tues Year 5 and Year 6 pupils swimming - please remember your swimming kit every Tuesday!

3.15-4.15 pm Young Voices Choir Club (Years 3-6)

Weds Viola Lessons with Mr Robin Davies - Moles Class

Thurs 3.15-4.15 pm Dodgeball and Benchball Club — for pupils in KS2 (Year 3 to Year 6)

3.15-4.15 pm Multi Sports Club—for pupils in KS1 (Years 1 and 2)

Fri Yoga for pupils in Year 1, Year 2, Year 3 and Year 4

BREAKFAST CLUB

Breakfast Club will continue to be £2.50 per day and is payable DAILY.

As we continue to be a cashless school, if your child/ren attend Breakfast Club, please go into your child's ParentPay account to pay the £2.50 on the day that they attend. Thank you.

Breakfast Club runs from 8 am until the start of school every school day during term time. For a very reasonable charge of £2.50 per child per day, the children enjoy a breakfast of toast and cereals, and sometimes pancakes and bagels too. They all love the fun and relaxing start to their school day, doing art, reading and playing with their friends.

In order for this provision to continue it must be viable. Please let the school office know if you would like to book your child/ren into Breakfast Club.

CHARGE FOR DAMAGED BOOKS

That due to an increasing number of books being returned to school in an unsatisfactory condition, there will be a charge incurred for any books that are returned to school damaged.

DIARY DATES 2023-2024

Don't be late!
Applications must be submitted by
15 January 2024

Was your child born between 1 September 2019 and 31 August 2020?

Any child born between the above dates can start school in the school year starting from **1 September 2024**. Gloucestershire County Council co-ordinates the admission of children to primary or infant school therefore you must apply to us to receive a school place for your child by the closing date **15 January 2024**

If you have not heard from us by 1st December, you must contact us so we can send you the information you will need to apply for a school place. If you do not apply on time, you may not get a place at the school you want.

Key dates

November 2023 – You should receive a letter from us advising you how to apply for a school place.

15 January 2024 – Deadline for making your application.

16 April 2024 – Allocation Day (find out which school we can offer your child).

If you have any queries about applying for a place at primary or infant school for your child, please contact Co-ordinated Admissions.

Things you need to know about Play Gloucestershire

Play Gloucestershire - a registered charity - is the leading provider of free, outdoor, active play in the county. Our Play Rangers activities target 7 - 14 year olds. Under 7's are welcome and should be accompanied by a parent or carer. We love families to join us at all our sessions.

Our Play Ranger activities are open access. This means there is no registration - children can leave the site at any time. Our Play Rangers will not stop them and may not know that they have left.

We encourage children to take responsibilities for their own actions. We think this is good for them. They will be encouraged to resolve disagreements amongst themselves. We will intervene if absolutely necessary.

Play Gloucestershire believe that children need and want to take risks when they play. Our Play Rangers aim to respond to these needs by offering children stimulating, challenging environments for exploring and developing their abilities. In doing this, we aim to manage the level of risk so that children are not exposed to unacceptable risks. Our experience tells us that whilst children play outdoors they are likely to have accidents. If this causes concern please come along and speak to us about it.

All our activities are outdoors and include den building, fires, arts and crafts, sports and a range of playful games. We encourage children to play freely and choose what they do. They do not have to do anything if they don't want to. Children will get wet, hot, cold, smelly and dirty and need to wear appropriate clothing and footwear. Better to wear old play clothes than ruin your best!

Our Play Rangers will provide drinking water at all sessions. We promote healthy eating and sometimes will provide free fruit.

We believe all children have the right to play. Please talk to us if your child needs additional support to enjoy Play Rangers. We welcome disabled children & their families.

Consultation on school admission arrangements for community and voluntary controlled schools (GCC Schools) Academic Year 2025/2026

The School Admissions Code 2021 requires all admission authorities to consult upon their admission arrangements if changes are to be made or if there are no changes, at least once every 7 years. Gloucestershire County Council, as the admission authority for all Community (C) and Voluntary Controlled (VC) schools last consulted upon their admission arrangements in 2016, therefore we are now due a full consultation.

The current oversubscription criteria give priority in the following order:

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements order or special guardianship order (1) including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children who will have siblings attending the school at the time the applicant child is admitted.
3. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

We will not be making any changes to these admission arrangements for the academic year 2025-2026 therefore the priority for admission to Community and Voluntary Controlled schools in Gloucestershire will remain the same as above.

The link to this consultation is

<https://haveyoursaygloucestershire.uk.engagemthq.com/school-admission-arrangements-2025-consultation>

One of our schools is also consulting on a reduction of their Published Admission Number for 2025. The link for this consultation is

<https://haveyoursaygloucestershire.uk.engagemthq.com/beece-green-primary-school-school-admission-consultation>

If you have any comments to make about the admission arrangements for 2025-2026, please do so via the consultation page.

Named points of contact;
Holly Ryland and Amanda Johns

The following has been copied from the www.gov.uk website.....

Back to school advice issued amid high levels of flu, COVID-19 and scarlet fever

Following simple steps can help protect children, minimise the spread of illness in education and childcare settings and protect wider communities.

Flu and coronavirus (COVID-19) are [currently circulating at high levels](#) and are likely to continue to increase in coming weeks. High numbers of scarlet fever, which is caused by group A streptococcus, also [continue to be reported](#).

Professor Susan Hopkins, Chief Medical Adviser at the UK Health Security Agency (UKHSA), said:

It's important to minimise the spread of infection in schools and other education and childcare settings as much as possible. If your child is unwell and has a fever, they should stay home from school or nursery until they feel better and the fever has resolved.

Helping children to learn about the importance of good hand hygiene is also key, so practice regular handwashing at home with soap and warm water. Catching coughs and sneezes in tissues then binning them is another simple way to help stop illness from spreading.

Adults should also try to stay home when unwell and if you do have to go out, wear a face covering. When unwell don't visit healthcare settings or visit vulnerable people unless urgent.

Remember that flu vaccination is still available for all eligible groups and is the best protection against the virus. We have seen good uptake in older age groups but vaccination among young children remains low. Flu can be very unpleasant and in some cases can lead to more serious illness. Getting your child vaccinated protects them and others they come into contact with, and it's still not too late.

Eligible children include:

- those aged 2 and 3 on 31 August 2022
- all primary school-aged children
- some secondary school-aged children

You can get more information [getting your child vaccinated against flu](#) on NHS.UK.

Apply online for

FREE

SCHOOL

MEALS

Check to see if your child is eligible using the confidential online portal available on our website www.gloucestershire.gov.uk/freeschoolmeals

Your child's school receives extra funding for each eligible child registered.

If you do not have internet access speak to your child's school.

You could save up to **£437** per year

You may also be able to get extra support for free milk, reduced contributions for school trips and uniform grants – check with your school.

THE DANGER ZONE!

Parking on zig-zag lines is dangerous and can incur a fine if you are caught!

Zig-zag lines are there for a reason; to allow good visibility for drivers to see pedestrians in high risk zones (ie on pedestrian crossings and outside of schools).

Please do not put the lives of our children at risk by parking on the zig-zag lines outside of the school, even for the shortest time.

Thank you for your cooperation.

Appointments during school hours

Please avoid arranging medical/dental appointments during the school day.

We do know this cannot always be helped, however, appointments at the end of the school day (from 2 pm onwards) are far less disruptive to your child's education than morning appointments please.

Pupils should be collected from school with just enough time to allow to get to the appointment on time and, if the school day has not ended, they should be returned to school immediately afterwards please.

You should also provide the school with a copy of your child's appointment letter for the attendance register.

Thank you for your continued support.

Weekly Reminders:

- Please ensure that Lunches are ordered on ParentPay by 8.30 am on the day they are required
- For the Health and Safety of the children, parents must not bring their children through the staff car park when dropping off or picking up from school.

Children may only be brought through the staff car park when the pedestrian gates to the playground are locked during the school day, and then **children must be escorted through the car park to keep them safe.**

- Please remember to inform the school office by 9.30 am each day, if your child is going to be absent from school.

Thank you

What can you do to help?

Take an interest in your child's education.

- Ask them about their day and praise and encourage their achievements at school.
- If your child is missing school or is seemingly unhappy, you should discuss your concerns with your child.
- Make sure your child understands that you do not approve of them missing school, but be on the alert for any particular reasons for non-attendance, such as bullying or problems with school work.

Contact the school as soon as possible when a concern is identified so that you can work with them to resolve any difficulties.

Be willing to engage with any support offered by the school or Gloucestershire County Council Support Services.

Make sure your child arrives at school on time for both the morning and afternoon sessions.

If your child is ill or absent for any other reason, contact the school on the first day of absence.

Follow the school's procedures for notifying absence, and always let the school know of any days that your child is unable to attend.

Updated November 2020

It all adds up!

Can they afford to keep missing out?

Every Minute Counts!

Being late for school reduces learning time.

5 minutes late every day = 3 days of learning missed per year.

15 minutes late every day = 9 days of learning missed per year.

Arriving late can be very disruptive for your child, the teacher, and the other children in the class.

School Attendance

Information for Parents and Carers

Why is it important for children not to miss school?

Children only get one chance at school, and your child's chances of a successful future may be affected by not attending regularly. If children do not attend school regularly they may:

- Struggle to keep up with school work. In a busy school day it is difficult for schools to find the extra time to help a child catch up.
- Miss out on the social side of school life. Poor attendance can affect children's ability to make and keep friendships; a vital part of growing up. Employers want to recruit people who are reliable. Setting good attendance patterns from an early age will also help your child later on in life.

What might the impact of poor attendance be on your child?

Research shows children who are not regularly attending school are:

- More likely to become involved in, or be a victim of crime and anti-social behavior.
- More likely to fall behind due to the strong link between attendance and achieving good results.
- Less likely to achieve 5 good GCSEs (grades 9-5) compared with those with less than 8 days absence.
- More likely to have increased levels of anxiety due to inconsistencies and uncertainty in their routine.
- More likely to have reduced self esteem due to finding learning increasingly hard having missed out on key information.

What does the law say?

By law, all children of compulsory school age (between 5 and 16) must get a suitable, full-time education. As a parent, you are responsible for making sure this happens, either by registering your child at a school or by making other arrangements which provide a suitable full-time education.

Once your child is registered at a school you are responsible for making sure he or she attends regularly.

What happens if your child does not attend school regularly?

If your child fails to attend regularly - even if they miss school without you knowing - the Local Authority (LA) may take legal action against you.

Schools will notify you if your child's attendance level is a concern and look to work with you to put in place steps to improve it. If attendance continues to require improvement then schools will look to initiate an Attendance Improvement Meeting (AIM).

The AIM is the start of the legal process. It is important you engage with the process and work with the support provided to meet the agreed targets. These targets will be reviewed and progress evaluated at a review meeting. If satisfactory progress is made then targets will either be considered met or adjusted until attendance is satisfactory. If progress is not made then you may be referred to the LA for legal intervention.

You run the risk of being issued with a Penalty Notice or being prosecuted in court. If this happens:

- Parents can be fined up to £2,500 or imprisoned for failing to ensure that their child attends school regularly.
- Magistrates can also impose a Parenting Order, which means that the parent has to attend a counselling and guidance programme, usually a parenting class.

When is absence authorised?

There may be times when your child has to miss school because they are unwell. If your child becomes ill you should notify the school immediately and follow the school's absence procedures.

Children may have to attend a medical or dental appointment in school time. However, you should, whenever possible, try to make routine appointments such as dental check-ups during the school holidays or after school hours. Schools have the right to request medical evidence to validate absences for medical reasons.

If you think you might need to take your child out of school, discuss the reasons with the school as soon as possible. Absence must be requested as far in advance as possible. Absences will only be authorised by the school in exceptional circumstances.

Examples of absence that may be considered as exceptional circumstances include family bereavement or taking part in an agreed religious observance. The decision on whether to authorise absence is made at the headteacher's discretion.

For more information

For more information you can contact the Local Authority's Education Inclusion Service at:

Phone: 01452 427274

Email: Attendance@gloucestershire.gov.uk

Website: www.gloucestershire.gov.uk/education-and-learning

Although term time leave request forms are available from the office, this does not mean that holidays are authorized or the request will be granted. Please read the below regarding penalties:

Request for a leave of absence during term time

Parents should be aware that the law does not grant parents an automatic right to take their child out of school during term time. The Department for Education allows a Headteacher the discretion to consider authorising a leave of absence in term time only in "exceptional circumstances".

You may consider that a holiday will be educational but your child will still miss out on the teaching and learning that their peers will receive whilst your child is away. Children returning from a leave of absence during term time are also unprepared for the lessons which build on the teaching they have missed and arrangements need to be made for individual children to catch up on missed work. Disruption to the continuity of teaching and learning is something we all have a responsibility to avoid.

If requesting a leave of absence you will need to complete the form on the reverse of this notice, setting out the reasons. If the holiday is not considered to be an exceptional circumstance it will not be agreed. If you nevertheless take your child out of school for the leave of absence this **will be recorded as unauthorised leave**.

In the case of an unauthorised leave of absence the headteacher may request that the Local Authority issue a Fixed Penalty Notice without further warning to the parent.

Please note that such a penalty is issued to each parent for each child taken out of school.

A Penalty Notice is a fine of £60 if paid within the first 21 days which increases to £120 if paid between 21 and 28 days.

Thereafter, if the penalty remains unpaid this may lead to prosecution through the Magistrates' Court.
