6 Nov to
22 Dec

Term 3
8 Jan to 9 Feb

Term 4
19 Feb to
22 March

Term 5
8 April to
24 May

Term 6
3 June to
22 July

INSET days:
4 September
6 November
22 December
24 May
22 July

Other dates:
Bank Holiday
- 6 May

Moles Class

In Moles this week we have had a very busy week. We started the week with RE and are now coming towards the end of our unit. We discussed what kind of world we would want to live in and how it would be a kind, caring world with honesty and fairness we contrasted that to how the world is today and then made some comparisons to our perfect world and how we ourselves can make the world a better place.

In maths, both years have moved on to their new unit of work looking at addition and some mental methods we can do to make addition easier; like when adding 9 to a number we can add 10 and then take away 1 to make the equation easier.

On Wednesday we had an amazing Christmas jumper day. The children made their own Christmas hats to wear to our Christmas dinner which was served by the teachers, and which they all enjoyed very much.

I hope everyone has a lovely weekend on this run up to Christmas.

Mr Martin

Otters Class

The children have enjoyed a week of festive cheer. We started our week by watching the Hedgehogs Class dress rehearsal and we loved it. Then on Wednesday, we had our Christmas dinner. The children spent the morning creating their hats, whilst singing to Christmas songs.

They then began to learn 'Step into Christmas' by Elton John, which we hope to record and post on Dojo next week.

In maths this week, Year 5 children continued their work on multiplication and division and have been learning to multiply whole numbers and decimals by 10, 100 and 1000. Year 6 concluded their work on fractions, decimals and percentages. They have now embarked on a new unit all about fractions.

We are nearing the end of our class text in writing and this week children have written a continuation of a chapter. I am really impressed with the way in which all children approached this task. Their writing was superb!

In swimming, all children have earned certificates. These will be given out next week.

In RE, children have been learning about community and the Muslim faith.

Reminders:

Swimming Tuesday
Film day on Thursday

Have a lovely weekend!

Mrs Mclean

Hedgehogs Class

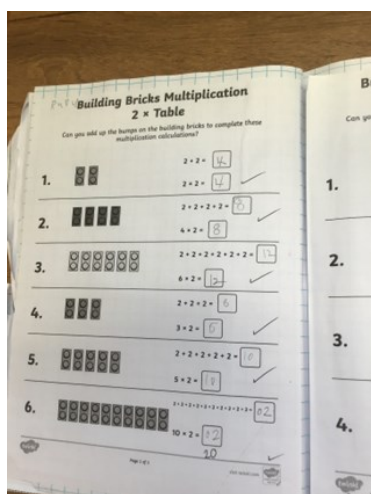

It's been a very busy week in Hedgehogs Class rehearsing for the Nativity "The Sleepy Shepherd", and we are very proud of all the children who put in so much effort to make the show a success. The Nativity evening was full of magic and the children enjoyed performing to you.

Year 1 and 2 have been working hard in maths learning multiplication. They have enjoyed playing Maths games together and shared well and have been taking it in turns to use the smart board.

In Literacy they have created some excellent writing based on "The Christmas Collar".

Reception children have enjoyed lots of enhanced provision and created some wonderful Christmas cards. They are enjoying our talk through story "A Christmas Collar" and are creating work based on the story.

Hedgehogs Class Team

Things Happening at Soudley School Week Commencing 18 December 2023

**8am – 8.30am DAILY - BREAKFAST CLUB
- £2.50 per child per day**

FOSS Committee Meeting

When: Monday 18th December 2023, 7pm

Where: The White Horse, Soudley

What is FOSS? Friends of Soudley School (FOSS) is a registered charity (1193629) and led by volunteers, such as school staff and parents/family members with children who attend Soudley School. The purpose of FOSS is to raise money that will support and improve the education of all children that attend Soudley School as well as develop effective relationships within the school and wider community. All committee members are volunteers who offer their time and energy to support FOSS, in achieving this purpose.

Who can attend? Any parent, carer, family member or school staff member who is interested in supporting FOSS and the children of Soudley School.

Why attend? Committee meetings are a chance for members to plan and coordinate present and future fundraising events, make decisions about how funds will be allocated, review progress, generate new ideas, build relationships, and hold members accountable for their roles and responsibilities.

FOSS NEEDS YOUR SUPPORT!

Email: FOSS@soudley.gloucs.sch.uk

- 10-14 Bikeability Training for Year 6 pupils

July 2024

- 22 INSET day**

CHARGE FOR DAMAGED BOOKS

That due to an increasing number of books being returned to school in an unsatisfactory condition, there will be a charge incurred for any books that are returned to school damaged.

Caring for children with COUGHS

This leaflet contains information about how to look after a child who has a cough (not due to asthma). For more detail see www.bristol.ac.uk/child-cough

COUGH

Coughs can last for 3-4 weeks and make your child feel quite unwell but will still get better by themselves.

'Noisy chests' or 'chesty coughs' are quite common when young children catch a cold and are not necessarily a sign of a 'chest infection'.

Healthy children typically get a cough 7-10 times a year and this is not a sign that there is anything wrong with their immune system.

© University of Bristol

DISTURBED SLEEP

Coughs will often wake your child in the night. When the child lies down, more of the mucus from the nose and throat runs downwards and your child coughs more to clear it.

Coughing is part of the body's defence system which helps keep the lungs clear and fight the illness. Unfortunately this can wake the child in the night but does not mean the illness is more severe.

For children over 1 year, a spoon of honey (perhaps in a warm drink) half an hour before bed may help them to wake less often.

For children over 2 years, vapour rubs (containing camphor, menthol and/or eucalyptus) may help children sleep better.

FEVER/HIGH TEMPERATURE In children, a temperature of over 37.5°C is considered a fever.

Fever is a normal response to illness and does not harm children. It may even help to fight illness.

Children with a high temperature may be more likely to have a more severe illness, although most do not. Occasionally a child may have a fit. This shouldn't cause harm and treating the fever doesn't prevent it.

It is safe to use child paracetamol and ibuprofen to manage children's fever (and pain) for as long as needed. Follow the dosage on the bottle.

DRINKING/EATING LESS

Children often eat and drink less when they have normal childhood illnesses. Most children can go a few days without eating much and this will not affect their longer term growth and development.

All children need to drink regularly to avoid becoming dehydrated, especially if they are vomiting.

To help prevent dehydration, encourage your child to have sips of water.

WHEN TO SEE THE DOCTOR

Arrange to see or speak to your doctor today if any of the following occur:

RAPID OR DIFFICULT BREATHING (DEPENDING ON AGE):

AGE OF CHILD	BREATHING RATE
Babies under 6 months	over 60 breaths per minute
Babies 6-12 months	over 50 breaths per minute
Children over 1 year	over 40 breaths per minute
Any age	Being short of breath (as if your child has been running) or is 'working hard' to breathe when resting
Any age	Skin between and below the ribs gets sucked in each time your child takes a breath

HIGH OR PERSISTENT FEVER (DEPENDING ON AGE OF CHILD):

AGE OF CHILD	TEMPERATURE
Babies under 3 months	38°C or more
Babies 3-6 months	39°C or more
Children over 6 months	over 37.5°C for more than 5 days
If your child has a fever fit, call 999 or take them to A&E.	

VOMITING (DEPENDING ON AGE):

AGE OF CHILD	SYMPTOMS
Babies under 3 months	Vomiting + fever of 38°C or above
Babies 3-6 months	Vomiting + fever of 39°C or above
Children over 6 months	Vomiting + fever + extremely drowsy or listless
Any age	Severe vomiting (child not able to hold down fluids for 8 hours or showing signs of dehydration)
Any age	Persistent vomiting (more than 2 days)

SKIN PALER THAN USUAL

If your child appears much paler than usual; hands and feet are very cold while their body is warm. **If skin, lips or tongue appear blue, call 999.**

PAIN

Pain in the chest (not when coughing) combined with fever and rapid breathing.

HARD TO WAKE / UNRESPONSIVE

Cannot be woken or wakes only slightly and then immediately goes back to sleep.

If your child wakes only with lots of stimulation, or is much less responsive to social stimulation (smiles and talking) than usual.

NOT FEEDING

Babies under 1 year: if your child stops feeding entirely.

Progressivesports®
...raising standards

Dedicated to giving **EVERY** child the **RIGHT** to be physically active

We invite YOUR CHILD along to our Reception, Year 1 and Year 2 after-school Multi-Sports Club!

PROGRESSIVE SPORTS are offering your child the opportunity to attend our weekly **MULTI-SPORTS** after school club at **SOUDLEY PRIMARY SCHOOL** every **Thursday** after school next term with **Mr Smith**.

Children attending the multi-Sports sessions will develop their main physical attributes such as agility, balance, coordination, speed, running, throwing, hitting, catching, and kicking skills.

The Sport will change every week at multi-Sports club where children will have chance to try a wide range of different sports including Football, Tag Rugby, Cricket, Rounders, Netball, Basketball, Hockey, Tennis, Archery, Gymnastics plus many more.

Come along and join us, it won't be the same without you!

IT'S SUPER-EASY TO SIGN-UP!!!

All you need to do is complete the application form below, and then hand it back either to the school office, or to your child's teacher.

Act QUICKLY, ONLY 20 PLACES AVAILABLE!

CLUB INFORMATION

Multi-Sports Club is open to all boys and girls in school that are in Reception, Year 1 and Year 2.

Every **THURSDAY NEXT TERM** from 3.15pm – 4.15pm

Club starts on **Thursday 11th January 2024** for the whole of **Spring Term 1** and **Spring Term 2**.

Please make sure your child has suitable clothing (P.E KIT), and suitable footwear, preferably trainers). As well as a drink.

Dedicated to giving **EVERY** child the **RIGHT** to be physically active

We invite **YOU** along to our **Archery** and **Fencing KS2** after school club!

PROGRESSIVE SPORTS are offering your child the opportunity to attend our weekly **Archery and Fencing** after school club next term at **SOUDLEY PRIMARY SCHOOL** every Thursday with Mr Knight.

The sport will change each week for **KS2** from **Archery to Fencing**.

Fencing is the recreational sport of swordplay that can be enjoyed by people of any age and offers a multitude of benefits. Confidence and sportsmanship are gained through participation in fencing. The object of fencing is to score a point or touch by hitting your opponent's target with your weapon before they get the scoring touch on you.

Archery involves archers aiming arrows at a target from a variety of different distances – it has various forms, but all have the same aim: to shoot your arrows as close to the centre of the target as possible to score points.

Children attending archery club will develop the skills and abilities needed by archers which are: mental strength, aerobic endurance, balance and coordination, reaction time, motivation & self-confidence, skill/technique, agility, flexibility, strength & power.

COURSE INFORMATION

Archery and Fencing Club is open to all boys and girls in school Years 3, 4, 5, and 6.

Every **THURSDAY NEXT TERM** from
3.15pm – 4.15pm

Club **STARTS** on Thursday 11th January
and **ENDS** on Thursday 8th February.

**IT'S SUPER EASY
TO SIGN UP!!!**

All you need to do is complete the application form below, and then hand it back either to the school office, or to your child's teacher.

**Act QUICKLY, ONLY 25
spaces are AVAILABLE!**

"The course is a fantastic opportunity for all children, they gain so many new skills, and it's fabulous!!!"

Want more Sport?

Come along to our Multi-Sport holiday courses in Cinderford during half term, and experience the fun filled excitement of lots of different sports.

How can I get my child to eat healthier

if they won't try new things?

Our top 6 tips to tackle fussy eating at home

Peter Humbles, Family Nutritionist

- 1. The big "why"?** Why don't they try new things? Are there tastes or textures they love or hate?
- 2. Check your language.** Aim for encouraging language and avoid labelling. Swap "my child doesn't eat vegetables" for "my child loves sweetcorn."
- 3. Lower anxiety at mealtimes.** Phones away and focus on chatting. There's no need to pressure them to try new foods.

Get **FREE** support to get your family healthier

Join programmes starting in January, or start online programmes now!

4. Exposure. Get them to pick out fruits and veg when you're out shopping and ask them to help chop them up.

5. Routine. Set mealtimes to build regular habits and aim for 2 healthy snacks per day between meals.

6. Make it fun! Make funny face pizzas and add some new toppings.

DOG FRIENDLY VENUE

Next online
group course
starts March
2024!

Arguing better

Disagreements are a normal part of life, and most couples argue from time to time. The way you approach these conversations can make a big difference to you, your partner, and your children.

Arguing better is a free online course to help you manage difficult conversations, avoid conflict, and improve things for your whole family.

You will learn:

- Where stress comes from and how it can affect you.
- Ways to recognise stress and talk about it.
- How to support each other through difficult times.
- What causes arguments and how to stop them.

Arguing Better Group Course

How do I access a group?

Groups take place in just two 90 min sessions (over two consecutive weeks) on Microsoft Teams. You will need access to Wi-Fi, a smart phone, laptop, or tablet. And its free!

Who is it for?

- Anyone with a parenting role for a child or young person
- Adoptive Parents
- Foster Parents
- Guardians/family members with parenting role

Parents are welcome to attend alone, with a partner, friend, or family member.

How do I book on to the next group?

For more information about future **Arguing Better** group dates or to book on contact:

The Family Information Service.
Email: Familyinfo@gloucestershire.gov.uk

CHRISTMAS FAMILY FEAST

HERE FOR HEREFORDSHIRE
HOLIDAYS

Don't be late!
Applications must be submitted by
15 January 2024

Was your child born between 1 September 2019 and 31 August 2020?

Any child born between the above dates can start school in the school year starting from **1 September 2024**. Gloucestershire County Council co-ordinates the admission of children to primary or infant school therefore you must apply to us to receive a school place for your child by the closing date **15 January 2024**

If you have not heard from us by 1st December, you must contact us so we can send you the information you will need to apply for a school place. If you do not apply on time, you may not get a place at the school you want.

Key dates

November 2023 – You should receive a letter from us advising you how to apply for a school place.

15 January 2024 – Deadline for making your application.

16 April 2024 – Allocation Day (find out which school we can offer your child).

If you have any queries about applying for a place at primary or infant school for your child, please contact Co-ordinated Admissions.

Co-ordinated Admissions,
Shire Hall, Westgate Street,
Gloucester, GL1 2TP

Email: school.admissions@gloucestershire.gov.uk
Web: www.gloucestershire.gov.uk/schooladmissions

Apply Online!

- It's quick and easy to use.
- Confirmation when your application is received.
- You will see the school allocated on 16 April.
- Environmentally friendly

Consultation on school admission arrangements for community and voluntary controlled schools (GCC Schools) Academic Year 2025/2026

The School Admissions Code 2021 requires all admission authorities to consult upon their admission arrangements if changes are to be made or if there are no changes, at least once every 7 years. Gloucestershire County Council, as the admission authority for all Community (C) and Voluntary Controlled (VC) schools last consulted upon their admission arrangements in 2016, therefore we are now due a full consultation.

The current oversubscription criteria give priority in the following order:

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements order or special guardianship order (1) including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children who will have siblings attending the school at the time the applicant child is admitted.
3. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

We will not be making any changes to these admission arrangements for the academic year 2025-2026 therefore the priority for admission to Community and Voluntary Controlled schools in Gloucestershire will remain the same as above.

The link to this consultation is

<https://haveyoursaygloucestershire.uk.engagemthq.com/school-admission-arrangements-2025-consultation>

One of our schools is also consulting on a reduction of their Published Admission Number for 2025. The link for this consultation is

<https://haveyoursaygloucestershire.uk.engagemthq.com/beece-green-primary-school-school-admission-consultation>

If you have any comments to make about the admission arrangements for 2025-2026, please do so via the consultation page.

Named points of contact;
Holly Ryland and Amanda Johns

The following has been copied from the www.gov.uk website.....

Back to school advice issued amid high levels of flu, COVID-19 and scarlet fever

Following simple steps can help protect children, minimise the spread of illness in education and childcare settings and protect wider communities.

Flu and coronavirus (COVID-19) are [currently circulating at high levels](#) and are likely to continue to increase in coming weeks. High numbers of scarlet fever, which is caused by group A streptococcus, also [continue to be reported](#).

Professor Susan Hopkins, Chief Medical Adviser at the UK Health Security Agency (UKHSA), said:

It's important to minimise the spread of infection in schools and other education and childcare settings as much as possible. If your child is unwell and has a fever, they should stay home from school or nursery until they feel better and the fever has resolved.

Helping children to learn about the importance of good hand hygiene is also key, so practice regular handwashing at home with soap and warm water. Catching coughs and sneezes in tissues then binning them is another simple way to help stop illness from spreading.

Adults should also try to stay home when unwell and if you do have to go out, wear a face covering. When unwell don't visit healthcare settings or visit vulnerable people unless urgent.

Remember that flu vaccination is still available for all eligible groups and is the best protection against the virus. We have seen good uptake in older age groups but vaccination among young children remains low. Flu can be very unpleasant and in some cases can lead to more serious illness. Getting your child vaccinated protects them and others they come into contact with, and it's still not too late.

Eligible children include:

- those aged 2 and 3 on 31 August 2022
- all primary school-aged children
- some secondary school-aged children

You can get more information [getting your child vaccinated against flu](#) on NHS.UK.

Apply online for

FREE

SCHOOL

MEALS

Check to see if your child is eligible using the confidential online portal available on our website www.gloucestershire.gov.uk/freeschoolmeals

Your child's school receives extra funding for each eligible child registered.

If you do not have internet access speak to your child's school.

You could save up to **£437** per year

You may also be able to get extra support for free milk, reduced contributions for school trips and uniform grants – check with your school.

THE DANGER ZONE!

Parking on zig-zag lines is dangerous and can incur a fine if you are caught!

Zig-zag lines are there for a reason; to allow good visibility for drivers to see pedestrians in high risk zones (ie on pedestrian crossings and outside of schools).

Please do not put the lives of our children at risk by parking on the zig-zag lines outside of the school, even for the shortest time.

Thank you for your cooperation.

Appointments during school hours

Please avoid arranging medical/dental appointments during the school day.

We do know this cannot always be helped, however, appointments at the end of the school day (from 2 pm onwards) are far less disruptive to your child's education than morning appointments please.

Pupils should be collected from school with just enough time to allow to get to the appointment on time and, if the school day has not ended, they should be returned to school immediately afterwards please.

You should also provide the school with a copy of your child's appointment letter for the attendance register.

Thank you for your continued support.

Weekly Reminders:

- Please ensure that Lunches are ordered on ParentPay by 8.30 am on the day they are required
- For the Health and Safety of the children, parents must not bring their children through the staff car park when dropping off or picking up from school.

Children may only be brought through the staff car park when the pedestrian gates to the playground are locked during the school day, and then **children must be escorted through the car park to keep them safe.**

- Please remember to inform the school office by 9.30 am each day, if your child is going to be absent from school.

Thank you

What can you do to help?

Take an interest in your child's education.

- Ask them about their day and praise and encourage their achievements at school.
- If your child is missing school or is seemingly unhappy, you should discuss your concerns with your child.
- Make sure your child understands that you do not approve of them missing school, but be on the alert for any particular reasons for non-attendance, such as bullying or problems with school work.

Contact the school as soon as possible when a concern is identified so that you can work with them to resolve any difficulties.

Be willing to engage with any support offered by the school or Gloucestershire County Council Support Services.

Make sure your child arrives at school on time for both the morning and afternoon sessions.

If your child is ill or absent for any other reason, contact the school on the first day of absence.

Follow the school's procedures for notifying absence, and always let the school know of any days that your child is unable to attend.

Updated November 2020

It all adds up!

Can they afford to keep missing out?

Every Minute Counts!

Being late for school reduces learning time.

5 minutes late every day = 3 days of learning missed per year.

15 minutes late every day = 9 days of learning missed per year.

Arriving late can be very disruptive for your child, the teacher, and the other children in the class.

School Attendance

Information for Parents and Carers

Why is it important for children not to miss school?

Children only get one chance at school, and your child's chances of a successful future may be affected by not attending regularly. If children do not attend school regularly they may:

- Struggle to keep up with school work. In a busy school day it is difficult for schools to find the extra time to help a child catch up.
- Miss out on the social side of school life. Poor attendance can affect children's ability to make and keep friendships; a vital part of growing up. Employers want to recruit people who are reliable. Setting good attendance patterns from an early age will also help your child later on in life.

What might the impact of poor attendance be on your child?

Research shows children who are not regularly attending school are:

- More likely to become involved in, or be a victim of crime and anti-social behavior.
- More likely to fall behind due to the strong link between attendance and achieving good results.
- Less likely to achieve 5 good GCSEs (grades 9-5) compared with those with less than 8 days absence.
- More likely to have increased levels of anxiety due to inconsistencies and uncertainty in their routine.
- More likely to have reduced self esteem due to finding learning increasingly hard having missed out on key information.

What does the law say?

By law, all children of compulsory school age (between 5 and 16) must get a suitable, full-time education. As a parent, you are responsible for making sure this happens, either by registering your child at a school or by making other arrangements which provide a suitable full-time education.

Once your child is registered at a school you are responsible for making sure he or she attends regularly.

What happens if your child does not attend school regularly?

If your child fails to attend regularly - even if they miss school without you knowing - the Local Authority (LA) may take legal action against you.

Schools will notify you if your child's attendance level is a concern and look to work with you to put in place steps to improve it. If attendance continues to require improvement then schools will look to initiate an Attendance Improvement Meeting (AIM).

The AIM is the start of the legal process. It is important you engage with the process and work with the support provided to meet the agreed targets. These targets will be reviewed and progress evaluated at a review meeting. If satisfactory progress is made then targets will either be considered met or adjusted until attendance is satisfactory. If progress is not made then you may be referred to the LA for legal intervention.

You run the risk of being issued with a Penalty Notice or being prosecuted in court. If this happens:

- Parents can be fined up to £2,500 or imprisoned for failing to ensure that their child attends school regularly.
- Magistrates can also impose a Parenting Order, which means that the parent has to attend a counselling and guidance programme, usually a parenting class.

When is absence authorised?

There may be times when your child has to miss school because they are unwell. If your child becomes ill you should notify the school immediately and follow the school's absence procedures.

Children may have to attend a medical or dental appointment in school time. However, you should, whenever possible, try to make routine appointments such as dental check-ups during the school holidays or after school hours. Schools have the right to request medical evidence to validate absences for medical reasons.

If you think you might need to take your child out of school, discuss the reasons with the school as soon as possible. Absence must be requested as far in advance as possible. Absences will only be authorised by the school in exceptional circumstances.

Examples of absence that may be considered as exceptional circumstances include family bereavement or taking part in an agreed religious observance. The decision on whether to authorise absence is made at the headteacher's discretion.

For more information

For more information you can contact the Local Authority's Education Inclusion Service at:

Phone: 01452 427274

Website: www.gloucestershire.gov.uk/education-and-learning

Although term time leave request forms are available from the office, this does not mean that holidays are authorized or the request will be granted. Please read the below regarding penalties:

Request for a leave of absence during term time

Parents should be aware that the law does not grant parents an automatic right to take their child out of school during term time. The Department for Education allows a Headteacher the discretion to consider authorising a leave of absence in term time only in "exceptional circumstances".

You may consider that a holiday will be educational but your child will still miss out on the teaching and learning that their peers will receive whilst your child is away. Children returning from a leave of absence during term time are also unprepared for the lessons which build on the teaching they have missed and arrangements need to be made for individual children to catch up on missed work. Disruption to the continuity of teaching and learning is something we all have a responsibility to avoid.

If requesting a leave of absence you will need to complete the form on the reverse of this notice, setting out the reasons. If the holiday is not considered to be an exceptional circumstance it will not be agreed. If you nevertheless take your child out of school for the leave of absence this **will be recorded as unauthorised leave**.

In the case of an unauthorised leave of absence the headteacher may request that the Local Authority issue a Fixed Penalty Notice without further warning to the parent.

Please note that such a penalty is issued to each parent for each child taken out of school.

A Penalty Notice is a fine of £60 if paid within the first 21 days which increases to £120 if paid between 21 and 28 days.

Thereafter, if the penalty remains unpaid this may lead to prosecution through the Magistrates' Court.
