

Hedgehogs Y1 and Y2 Spring

Geography

Our main theme in Term 3 is India, finding out about the location using maps as well as looking at similarities and differences between India and the UK.

We will be learning about physical geography and the climate, as well as exploring food, culture and festivals. We will focus on non-fiction writing and create India fact files.

P.E

Our focus for P.E this term will be gymnastics developing skills in rolling, shapes, jumps and creating sequences.

English

In English this term, we will start with Handa's Surprise and write our own chronological stories. Then we will explore non-fiction texts related to our geography and science work. We will develop our vocabulary and sentence writing skills within the Year 1 and Year 2 frameworks.

Computing

In computing our units will be looking at moving a robot and grouping data.

Science

In science, our first unit will be 'Living Things and Habitats' and we will move on to 'Animals including Humans'.

India

Maths

Year 1 will be sequencing events, ordering days of the week, months of the year and telling the time to o'clock and half past.

They will also be focussing on number bonds to 20 and adding and subtracting to 20.

Year 2 will be telling the time to half past, quarter to and quarter past and counting in 5 minute intervals.

They will be working on fractions of shapes and numbers-halves, quarters, three quarters and thirds.

PSHE

We will be using the SCARF scheme of work and myhappyminds resources.

Art and Design

We will be exploring Indian art and patterns and creating our own. We will be developing our skills through Easter/Spring crafts.

Religious Education

In R.E we will be focusing on Sacred places and why Easter matters to Christians.

Music

We will continue to enjoy our Charanga music lessons.
