

Reception: Our Forest

Things I Will Learn

I can name the four seasons.

I can name some common natural items found outside during autumn in our forest.

I can talk about some of the seasonal changes I have noticed around me.

leaves changing colour

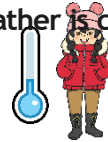

leaves and fruit falling

the sun setting earlier

weather is colder

I can describe what I can see, hear and feel outside during autumn.

I can talk about some of the events and festivals that are celebrated in autumn.

Stories, songs and rhymes:

- Autumn Colours Song
- Autumn Leaves

- I'm a Little Hedgehog
- The Leaves are Falling Down

Things to Talk About and Find Out:

- I wonder where this might have come from?
- Can you describe what this feels like?
- How many different coloured leaves can you find? Are they all the same shape and size?
- What should we wear to go outside today?
- What signs of autumn can you see?
- Can you describe the colours you can see?
- How is autumn different to summer?
- What might people celebrate during autumn?
- What might the squirrels and hedgehogs be preparing for?
- Can you think of a different word to describe the falling leaves?
- Why is harvest an important time?
- Did you notice if all of the trees are dropping their leaves?
