Hedgehogs and Humbugs

This week we have been mad about the chicks as expected. Wow, they are getting super big now. They are spending less and less time under the heat lamps, spending the day in the big crate. They are enjoying munching on grass, seeds and the odd flower from the orchard and they love to perch.

In forest schools we went pond dipping down at the ponds. We found lots of minibeasts in the water.

In maths we are working with money, recognising the different coins and notes and adding amounts together.

In English we are continuing to be eco warriors learning about the plight of the orangutans in Borneo using the book *There's a Rang Tan in my bedroom*. It is very thought provoking.

Year one had their phonic screening check which passed by peacefully. Golly, only 4 weeks left of this year!!!

Happy weekend all.

Mrs Saeed
